

SUPPLEMENTAL BID BULLETIN

NOTICE TO ALL INTERESTED BIDDERS

Please be informed of the following changes and clarifications in the Bid Data Sheet for projects **21CW-GSC-006 - 011**:

- A. The following equipment are **deleted** from the minimum major equipment requirements:
1. Payloader
 2. Kneading Machine
 3. Prime Mover
 4. Barricade Flasher Light
- B. The following equipment is considered **optional** from the minimum major equipment requirements:

1. Bulldozer

Please also be informed that the **BAC-Infrastructure** will now be requiring the usage of the New Omnibus Sworn Statement. Please visit our BAC-Infrastructure Publication page of our website at bidsandawardgensan.hopto.org/publication-infra and click the link circled in the image below to download the document. Please be reminded that **failure** to comply with the new format could lead to **disqualification**.
